## Manuscript

Papers may be submitted in the English Language or in Bahasa Malaysia (with an English abstract). All manuscripts should be submitted in duplicate, typed on one side of good quality A4 paper, double spacing with a 2 in. left margin. Submit accepted manuscripts and the article in a diskette (3.5 in.) created on 'Microsoft Word'.

Text formatting and layout of this journal is being done on the Macintosh System 8.5 using Aldus Page Maker 6.5 program. Therefore, if your article is typed using the IBM PC or compatibles, please save your typed article on Microsoft Word for Windows: version 6.0 or earlier versions. The type or font used for the typed article sent is preferably Times or Times New Roman.

The text of the manuscript should be in the following form:

**Title page:** A concise but informative full title plus key words of not more than 40 characters, name(s) of author(s) and the full address where the work was carried out.

**Abstract:** The second page should contain an abstract of about 150-200 words. The abstract should state the purpose of the study, a brief description of the procedures employed, main findings and principal conclusions.

**Text:** The text should consist of an introduction, materials and methods, results, discussion, acknowledgement(s) and references.

**References:** Number references consecutively in the order in which they are first mentioned in the text. References in the text should be indicated by a figure within parenthesis. The titles of the journals in the references list should be abbreviated according to the Index Medicus References to journals and should be listed as follows: author's surnames and initials, title of paper, title of journal in italics, year of publication in parenthesis, volume number in bold print, initial and final page number of the article.

For example:

Roberts, C.W., Alexander, J. and Bossi, L. Studies on a murine model of congenital toxoplasmosis. *Parasitol.* (1992);**104**: 19-23.

References to books:

Delgado-Escueta, A.V., Wasterlain, C.G., Treiman, D.M. and Porter, R.J., eds. *Status epilepticus: mechanisms of brain damage and treatment*. New York: Raven Press, 1982.

Chapter in a book: Dana-Haeri, J., Trimble M.R. and Oxley, J. Serum prolactin levels after generalised and partial seizures in epileptic patients. In: Parsonage, M., Grant, R.H.E., Craig, A.G. and Ward, A.A., eds. *Advances in epilepsy: the 17th Epilepsy International symposium*. New York: Raven Press, 1983:127-131.

Paper submitted with references in the wrong style will be returned unread for correction and resubmission.

Authors must pay particular attention to the accuracy of the references which should be checked before final submission of the finished manuscript.

**Tables:** Type each table on a separate sheet and numbered in Arabic numerals. The tables should be as few and as simple as possible, with the title above and any notes or description below. Explain all abbreviations and do not give the same information in tables and figures.

**Figures:** Graphs, drawing and photographs should be submitted as clear, glossy prints 7.5 cm x 16 cm. Figures should be identified on the back with the title of the article and figure number (in light pencil) and an arrow to indicate the top. Legends to the figures should be submitted on a separate sheet. Figures legends should be numbered sequentially, typed double-spaced on a separate sheet of paper. Give the meaning of all symbol and abbreviations used in each figure.

**Copyright:** Accepted manuscripts become the permanent property of the Malaysian Journal of Medical Sciences and may not be published elsewhere without prior permission from the publisher. Copyright permission to reproduce materials published elsewhere must be obtained in writing and acknowledged in the manuscript. All author(s) will be required to sign a 'Declaration' on acceptance of the manuscript.
